Sale to be held at the Dr. O. P. Bennett Farm,
Washington, Illinois
Tues., Oct. 16, 1934
at 1:00 P. M.

Auctioneers—Carey M. Jones, Frank Nutty, H. P. Miller
Fieldmen—Hal Longley of The Shorthorn World;
Frank Richards of the Drovers Journal

Three of the most favorably known Shorthorn breeding firms in Illinois offer you choice specimens from their herds in this sale. Your acquaintance with the very favorable records of these breeders will at once convince you that this will be an ideal place to buy. I am only too glad to state that my inspection of the cattle left me with a feeling that they were just about as useful a lot of Shorthorns, both from the standpoint of breeding and individual merit, as will be offered this Fall. All three herds are founded on the basis of utmost permanency. All three firms have hosts of satisfied customers. All three are remaining in the business to back up the cattle you will buy in this sale. I strongly urge you to attend this sale and I do not hesitate to say that those who make purchases will strengthen their positions as Shorthorn breeders.—Hal Longley of The Shorthorn World.

Terms and Conditions

Breeders who wish to strengthen already well established herds or beginners who wish to start with the right kind of foundation should take advantage of the opportunities offered in this sale. No one can study this catalog without being impressed by the desirability of the cattle that are consigned from these three strong Illinois herds. When you see the cattle on sale day, you will be still more favorably impressed by their excellent type, quality and character.

LOCATION—Washington is located on Illinois Highway No. 8, U. S. Highway No. 24, just 12 miles east of Peoria and 160 miles southwest of Chicago. Motorists will find all weather roads from every direction and visitors traveling by train will find bus service from Peoria satisfactory.

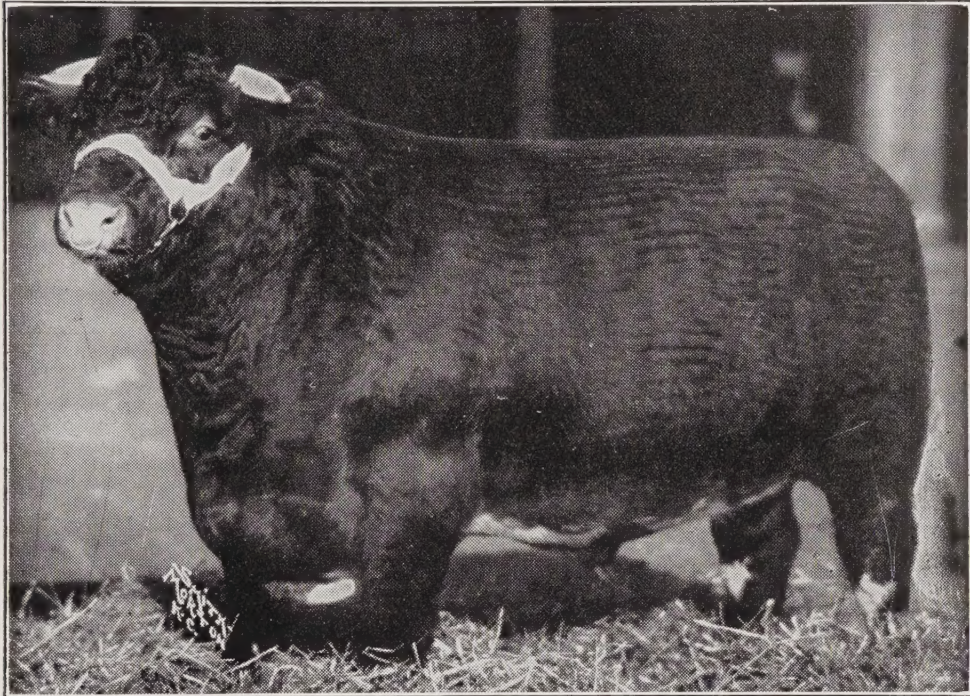

TERMS—The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Settlements are to be made with the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyers risk as soon as bid off but the management will attend to loading on cars or trucks in compliance with instructions from purchasers.

GUARANTEE—All three herds are Federal Accredited. All cattle are sold subject to a sixty day retest for tuberculosis and health certificates will be furnished to enable them to be shipped into any state or territory. Bulls are guaranteed breeders if properly cared for and not allowed to run with the herd. If a bull fails to breed, he may be returned to the seller, if in as good condition as when bought and if after a test in the sellers herd, he still fails to breed he will be replaced or the purchase money will be refunded. All cows with calves at foot are considered breeders and no further guarantee is made with respect to them. All other cows and all heifers over sixteen months old at the time of the sale are guaranteed to be breeders. Animals returned to sellers because they do not comply with guarantee will be at buyer's costs of transportation.

Any claim for adjustment because an animal is a non-breeder must be made within ninety days of the date of the sale.

The above guarantee and terms shall constitute a contract between consignor and buyer of each lot.

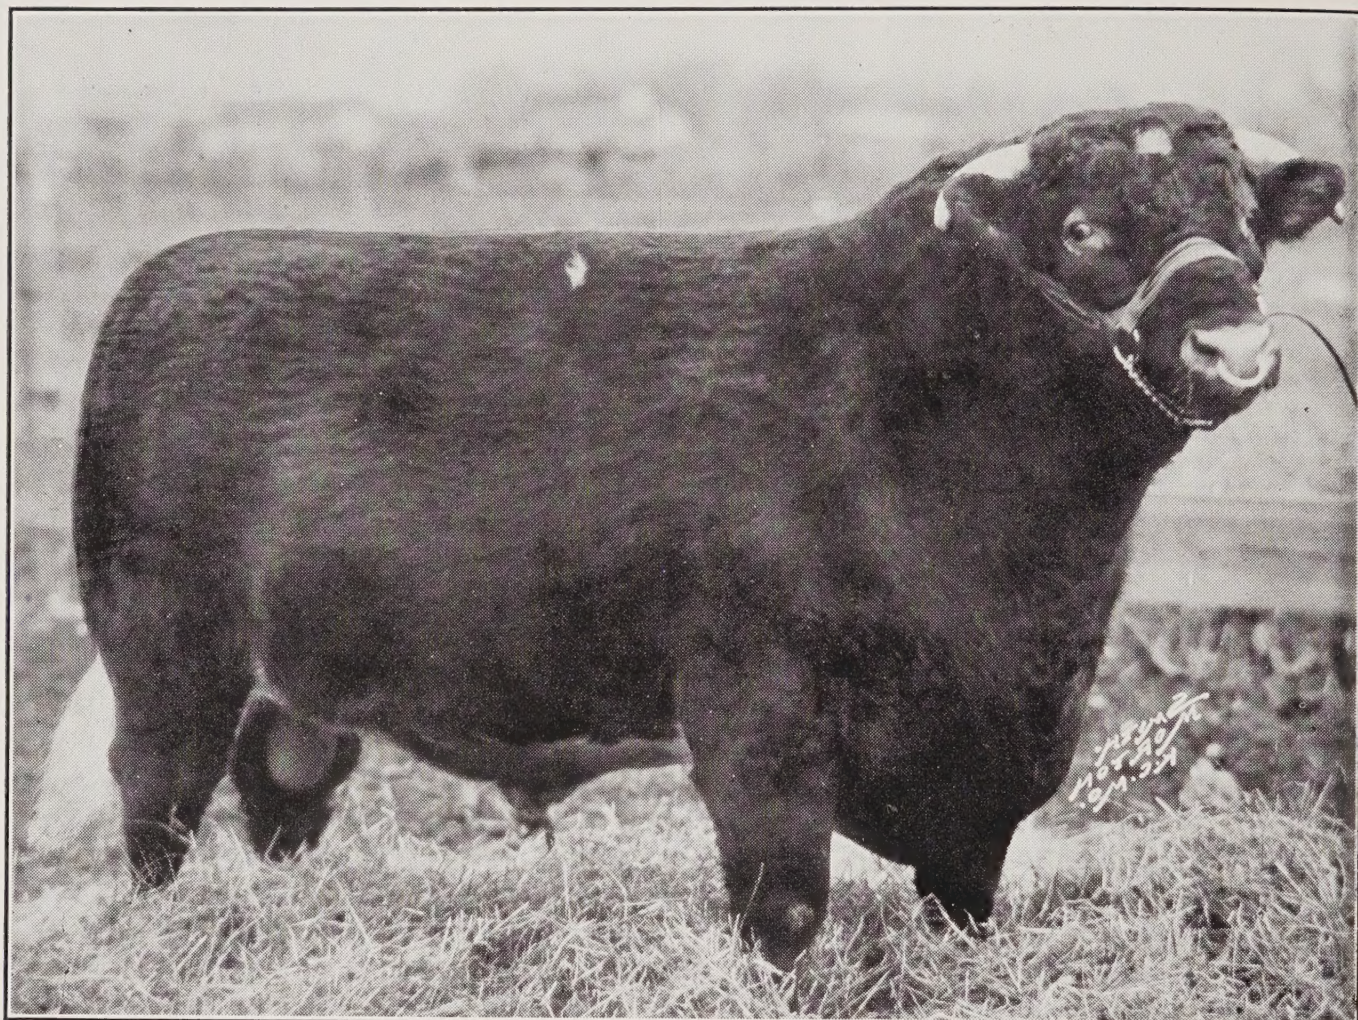

PEDIGREE CERTIFICATES—A certificate of registry and a transfer will be furnished for each lot sold and an application for registry will be furnished for each calf sold at foot and for each unborn calf sold in dam.

IMP. COLLYNIE CLIPPER CREST—Through the use of one of his best breeding sons, Collynie Sir Augustus, Dr. Bennett brought into his herd a strong infusion of the blood of this famous bull.

Dr. O. P. Bennett's Consignment

The first sixteen cattle listed in this catalog are consigned by Dr. O. P. Bennett from his Tazewell Herd located at Washington, Ill. Breeders everywhere are familiar with the very fashionable Scotch bloodlines represented in this herd and with the high quality and type demanded by Dr. Bennett when he was assembling the foundation for his herd. Due to the fact that his farming facilities will not accommodate a large herd, Dr. Bennett is not only selling the produce in this sale but is also listing a number of his very choicest foundation females, thus affording the prospective buyer a most unusual opportunity for herd building purchases.

MAXWALTON REFEREE, a consistent winner of grand championships in 1927, 1928, 1929 and 1930, has done splendid service in the Dr. O. P. Bennett herd. His six bulls and two heifers listed in this catalog prove him to be a sire of compact, square, wide ribbed, thick fleshed, good headed calves.

VILLAGER'S CHOICE by Roan Villager

These are the two good sires
now in service in the Ewing
Bros. herd.

Ewing Bros.' Consignment

The Ewing Bros. herd at Pontiac, Ill., was founded in 1907 with the purchase of an outstanding female of the Claret family from the famous Maxwalton Herd. Subsequent foundation purchases were in all cases tops of the herds from which they came and a great breeding establishment resulted. The use of such splendid sires as Maxwalton Revelanta by Imp. Rodney, Anoka Knight Errant by Ballylin Rodney, Dreadnaught Mohawk by Haylands Dreadnaught, and the present herd bulls, Villager's Choice by Roan Villager and Edellyn Standard by Browndale Standard has further brought this herd into the limelight as one of the top breeding establishments in the Central States. The herd has been Federally Accredited for many years and the cattle they have listed for this sale are a wonderfully desirable lot.

DREADNAUGHT SALUTE is one of the great sires that has helped to make fame for Leveldale Dreadnaught. Three of his sons sell in this sale.

Mathers Bros.' Consignment

After Mathers Bros. had decided to call off their proposed Fall Sale, they were prevailed upon to consign five good bulls to this sale. The reputation of this herd is so well known that comment here is almost unnecessary. Year after year, with cattle of their own breeding and sired by bulls of their own breeding, they go into the show ring and receive the highest awards against the strongest possible competition. Year after year, they sell the produce of their herd to men who find that they have been greatly helped on the road to Shorthorn success by the acquisition of Mathers bred animals. In short, it is easy to say, without fear of contradiction, that the Mathers Bros. are right up at the top of the list of the most successful breeders in Shorthorn history.
